

KS1/2 Offer

Practical cooking session

- Covid safe setting and teaching method
- Age appropriate
- Adaptable to dietary requirements and can be themed to match key focus.

Curriculum linked activities

- A full day's worth of activities and resources available either via smartboard or paper-based, covering all subjects with a focus on British food and farming.
- Teacher autonomy to choose activities to suit their class needs.

All our activity days are offered free of charge, however as a non-profit organisation, if schools are able to make a donation, it allows us to visit more schools.
